- Evaluation
- Evaluation Techniques

Assessment

■ Assessment

Coursework: 40%

Examination: 60%

Total: 100%

■ Study Approach

Tutorial Session 15 hours

Self study (including online reading) 85 hours

Total: 100 hours

Do and Don't

- **Do not turn on your mobile**, pager or any form of alarm that will distract your fellow classmates.
- **Do not make any unnecessary noise** unless you have just found out you won a 3T!
- **Do turn up on time** to avoid unnecessary distraction.
- Do exchange ideas and discussions on assignments but **NOT copying**. You are here to LEARN not copy. You will be severely dealt with if caught cheating under the university disciplinary action.
- **Do enjoy and learn from the course.**
